THE CNB 66, A NEW MODEL ANNOUNCED AT THE CANNES BOAT SHOW

The new CNB season has begun as usual with the Cannes Yachting Festival, which opens its doors this year from 6 to 11 September.

Two CNB 76s **with different configurations (Belé and Playstation)** are being exhibited there, as well as **the Bordeaux 60 Althane**.

On this occasion, CNB also organised a press conference to unveil the project on which its teams have been working passionately for over 2 years, in the greatest secrecy: the CNB 66.

The CNB 66 fits between the legendary Bordeaux 60 and the CNB 76. Inside and out, elegance combines with simplicity through maximum integration of equipment and fittings.

Taking on the family resemblance, the CNB 66 reflects the values that make the reputation of CNB yachts on all the world's oceans: robustness, elegance and performance.

The first example of this new era will leave the boatbuilding yard in 2017, a key date for the brand, which will be celebrating its **30th anniversary**.
